About Our Company

Server Zone Computer Trading L.L.C is a fast-growing and trusted IT hardware and electronics trading company based in Dubai, United Arab Emirates. Established with a clear focus on quality, reliability, and customer satisfaction, Server Zone specializes in supplying a comprehensive range of computers, servers, networking equipment, peripherals, and IT accessories to individuals, businesses, and resellers.

We serve retail, wholesale, and corporate clients, offering genuine products from leading global brands at competitive prices. Our product portfolio includes laptops, desktops, enterprise servers, storage solutions, networking devices, printers, and a wide range of computer accessories. Every product we supply is backed by manufacturer warranty and supported by professional after-sales service.

Our Vision

To become a leading and most trusted IT hardware and technology solutions provider in the UAE and GCC, recognized for quality products, reliable service, and long-term customer partnerships.

Our Mission

Our mission is to deliver genuine, high-quality IT products and technology solutions that meet the evolving needs of businesses and individuals. We are committed to providing expert guidance, competitive pricing, fast delivery, and dependable after-sales support, while building lasting relationships based on trust, integrity, and customer satisfaction.

Our Goals

01

REVENUE GROWTH

To achieve sustainable revenue growth by expanding our product range, strengthening partnerships with leading global brands, and increasing our presence in retail, wholesale, and corporate markets across the UAE and GCC.

02

OPERATIONAL EFFICIENCY

To enhance operational efficiency through streamlined processes, advanced inventory management, and optimized logistics, ensuring faster delivery, competitive pricing, and consistent service quality for our customers.

03

PEOPLE DEVELOPMENT

To invest in continuous employee development by providing training, skill enhancement, and growth opportunities, fostering a motivated and knowledgeable team that delivers exceptional customer service and technical expertise.
